## About LET'S GO (EP)

Let's Go is the precursor to the forth-coming full length Beatmonstas project entitled "Bomb 'til We Hit 'em". Some may refer to it as a warning shot. Let's Go is like lightening in a bottle. Untainted magic. The Beatmonstas' emcee's Therapy, Phashara & Noble Dru spit pure aggression. Their b-boy swagger is at 110% over this "Portishead meets Pete Rock" track produced by Noble Dru. The sound of Let's Go is reminiscent of a 60's soul / rock band jam session but in a modern boom-bap context.

Let's Go is the anticipated follow-up to Beatmonstas 2005 / 2006 College hit "Four-Four", which peaked at the number 3 spot on national College Radio charts with the likes of Lupe Fiasco (Kick Push) and Gnarles Barkley (Crazy).

## The Press says

Chicago's Beatmonstas... will certainly appeal to fans of Little Brother, Foreign Exchange, Pete Rock and CL Smooth and the likes. - *Blues & Soul Magazine*

...a commitment to street-wise, no-frills song-writing and muddy, banging beats. - *Okayplayer.com*
